Evaline Tyson Green 1950 – 2020

On Saturday January 25, 2020 at 3:32pm in the afternoon, Evaline T. Green took her last breath, as 18 of her closest family members stood praying hand in hand, around her in a private hospital room, at Hospital of the University of Pennsylvania, watched her go home to be with the Lord.

Evaline T. Green was born in Mount Gilead, North Carolina on July 8, 1950 to Nora Thomas-Tyson and Robert Tyson Sr. (Both deceased) and siblings: Christine Tyson (Butler), Robert Tyson, Jr., Vernon K. Tyson, and deceased: Nannie R. Grear, Malloy Tyson and Herman M. Grier (raised like a brother).

Evaline met and fell in love with her husband of 44 years, William A. Green. They exchanged vows in a small setting, always planning to renew their vows in a grand ceremony. Evaline and William have one son Johannus A. Green. Evaline resided in Mount Laurel, New Jersey with her husband and son for over 36 years.

Evaline, affectionately known as “Lene” was raised in North Carolina until the age of 16 when at the request of her eldest sister Nannie, Evaline moved to New Haven, Connecticut. She graduated from Richard C. Lee High School and thereafter was accepted into the nursing program at Southern Connecticut State University. There she received a Baccalaureate of Science Degree and RN Degree. Evaline could boast about 20+ years in Nursing. She began working in the healthcare industry at The Veterans Administration Medical Center, in West Haven, CT, and with a State of Pennsylvania Registered Nurse licensure, ACLS & BLS, she went on to accept a position at the Veterans Administration Medical Center in Philadelphia, Pennsylvania as a Staff Nurse. Evaline was quickly promoted to Clinical Supervisor and ultimately retired as a Nursing Administrator for Temple Hospital in Philadelphia, Pennsylvania. Evaline’s management style was business professional. She was proficient in several aspects of nursing: assessment, coordination, supervision and delivery of services to patients. She had a passion and enthusiasm for patient care. Many in the family treated “Lene” like our own physician. She was a superior cook, super-organizer, impeccably neat and clean when it came to her home.

Among her many accolades, Evaline T. Green is the recipient of “Young People for Young People – Service Award”, “Social Action Ministry Beulah Baptist Church Community Service Award” and “NAACP Community Service Honor.”

Evaline was a fun loving person, often bridging the family from the North to the South. She never met a stranger and loved all of her family and friends. She will be missed by her family from New Jersey, North Carolina, Connecticut, Virginia, New York, Pennsylvania, Florida, Missouri, Maryland, Washington DC, Washington state and China! Through Evaline’s world travel, she became internationally known. All her friends throughout the world send their condolences!
